Leadership During Uncertainty

What the pandemic has exposed about leading

1. Crises will test your vision and plans

- Be flexible
- You may need a new plan
- Become a life-long learner

2. Keep members together

Lead with empathy

- Actively listen
- Offer reassurance
- Maintain good communications

3. Focus on the present

*Be proactive,
supportive, and
stay engaged*

- Increase dialogue between members
- Support members as you implement new changes
- Keep members engaged

4. Look at your club with new eyes

*Be creative,
efficient, and
effective*

- Search for ways to improve
- Enhance club efficiency and effectiveness

5. Crises can create windows of opportunity

- Embrace innovative ways to move ahead
- New ideas and solutions will emerge
- Difficult times can unite

*“She stood in the storm and when
the wind did not blow her way, she
adjusted her sails.”*
